

General instructions to check or verify the Answer Keys!

Candidates are instructed to note the following points for the verification of Answer Key:

- Please note that the questions and the options are shuffled during the examination. The responses you are provided now are available in the order it was shown to you during the examination. You need to match the question in the “Master Question Paper” with the jumbled questions appeared in your exam console. The keys provided correspond to the “Master Question Paper” only.
- The session number provided in the “View Response” is S1 and S2 for the forenoon and afternoon sessions, respectively for the given date. This number is not related to the session number you appeared (S1 to S8, as mentioned in your registration number).

Candidates can login to the GOAPS portal <https://goaps.iitg.ac.in/login> and follow the necessary instructions to verify the answer keys.
